

## FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- 1. Defendant is reportedly a citizen of Mexico.
- 2. The United States alleges that her presence in this country is illegal. There is an immigration detainer pending against her. The issue of detention in this case is therefore essentially moot, as the defendant would be released to immigration custody if not detained in this case.
  - 3. Defendant and her counsel offer no opposition to entry of an order of detention.
- 4. Upon advice of counsel, defendant declined to be interviewed by Pretrial Services. Therefore, there is limited information available about her.
- 5. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.
